CACC Golf's 2009 Fall Season Comes to a Close

The Trojan Golfers completed their 2009 fall season in Mobile this week with another 2nd place finish. This tournament was not too different from most of our fall tournaments where we placed ourselves in a hole in the 1st round and had to try to climb out. Our team has proven that we're good front runners but seem to have difficulty in getting into that position. You can review complete scores and results at:

<http://www.golfstat.com/2009-2010/men/mtourf109/M1382.htm>

Although the competitive side of golf is completed for the fall, the Trojans will be spending a great deal of time on the practice tee, golf course, running track and in the weight room preparing for a more successful spring season. Our players are not satisfied with 2nd, nor do any of them well accept finishing out of the top-5 in any tournament. I truly believe that these boys have a lot of heart and that they have proven that they are willing to put in the work and effort to be as successful as they can be. I also believe that they have the pride in the legacy of our College's golf program and want to leave a positive footprint in that legacy. The next couple of months will certainly tell if I have read my team correctly. Those that truly aspire to something special will work hard unsupervised when they take the break during Christmas break at home.

When the team returns from the Christmas break, the CACC Golf Team will resume practice on January 10. Qualifying for our first tournament will begin quickly, as I want to award those that have put in the extra effort on their own. One of our biggest trips of the year is played early in February in Melbourne, FL at Brevard's Winter Titan Classic.

Our 2010 Spring Schedule is now set:

Date	Host College	Golf Course	Town, ST
Feb 1 & 2	Brevard C.C.	Suntree C.C.	Melbourne, FL
March 1 & 2	Faulkner State C.C.	Rock Creek C.C.	Fairhope, AL
March 18-20	Illinois Central C.C.	Goosepond Colony	Scottsboro, AL
March 29 & 30	U. of N. Alabama	Fightin' Joe's G.C.	Muscle Shoals, AL
April 5 & 6	Meridian C.C.	Northwood C.C.	Meridian, MS
April 19 & 20 Region & District Champ	Faulkner State C.C.	Cambrian Ridge G.C.	Greenville, AL
May 18-21 NJCAA D-1 Golf National Championship	Central Alabama C.C. & Wallace State C.C.	Hampton Cove River Course	Huntsville, AL

I have high expectations for the spring for our golf team but I have even more faith that we have all learned from mistakes made this fall and will be a much-improved golf team than what we showed in these past couple of months. I can assure you, the talent is there, the desire is there, everything is in place... We have to play smarter, be more aware and continue to believe in ourselves. I feel we can accomplish this task and complete this year on a very high note.

Thanks for all of your support,
Dave Jennings
